

# The Art of the Pour

At Bask Steakhouse, our beverage program is built with intention. The heart of this book is our wine collection, hand-selected bottles chosen not for labels or trends, but for how they complement the food on your table. Each wine has been thoughtfully curated to pair with the richness of prime cuts, the depth of our sauces, and the balance of our seasonal sides.

Alongside our wines, you'll find a focused selection of classic and hand-crafted cocktails, created to stand on their own or begin the evening with purpose. Our after-dinner offerings, ports, digestifs, and spirits, are meant to linger, while our zero-proof and non-alcoholic selections bring the same level of care and complexity to every guest's experience.

Whether you're celebrating a milestone, discovering a new favorite, or enjoying a single glass with a perfectly cooked steak, our goal is to make every choice feel effortless and memorable.

Our team is always happy to guide you, because at Bask Steakhouse, the right beverage doesn't just accompany the meal, it completes it.
